Introduction

The officers of the National association take pleasure in presenting to the members the Seventeenth volume of the association's records. The book has been greatly delayed and is more than a month overdue. Much of this delay has been in the printing and we have the promise of the printers that from this time on until the records are published up-to-date, a volume will be issued every seventy-five days. The officers are insisting on this being lived up to and the secretary has given his word that the records will be forthcoming. Necessarily the work has fallen behind during the winter months as there are so many pedigrees recorded during season. We hope to have Volume XVIII ready for distribution by the middle of June and XIX by the first of September.

THE OFFICERS.

Fourteenth Annual Meeting

In the Commercial Club room at Des Moines, Iowa, Thursday teenth annual meeting of the association to order, there being afternoon, Dec. 14, at 1 o'clock President Russell called the four- present about one hundred and fifty breeders. A committee on credentials composed of C. R. Doty, Illinois, A. T. Cole of the Iowa Homestead, and Thad Mendenhall, Nebraska, were appointed to pass on the proxies. The committee had been in reality named the day before and had already gone over the work and consequently were ready to report. Mr. Doty and Mr. Mendenhall made a majority report favoring the admission to use of nearly all the proxies presented, some being thrown out on account of duplication and Mr. Cole presented a minority report in which he held that 440 of the proxies held by Robt. J. Evans were not worded in such a way that they constituted a proxy. The intent of the 440 was plainly evident but they were not legal proxies. Mr. Addy, of Missouri, moved the adoption of the majority report. After a free and full and somewhat heated discussion the motion was lost by a vote of 44 to 49, many of those present taking no part. On motion of Brown, of Nebraska, the minority report was adopted by a vote of 47 to 43. In the discussion of the proxy question the plea was made that it was time everything done in the meeting should be perfectly legal in every respect.

President Russell then read his annual address, which follows:

The wheels of time have made another revolution and we are again in annual meeting. The year 1905 has been prosperous generally speaking. Prices of hogs in the markets of the world have been good and prices of breeding animals have been all that should be desired. There never has been a time in our history when the good hog was so much sought for. As we grow older in the business we are getting more and more particular as to the male we have to head our herd and to the sow we have to rear our pigs. There is yet room for improvement in this line. Improvement can yet be made in all our herds. Let us always keep in view the ultimate end—the pork barrel—and try to breed the hog that will produce the most pounds of pork in the time on the least amount of feed, remembering that we want the hog that will not stop growing at 12 or 15 months of age.

At our great state fairs in 1905 the red hog took a very prominent place and at some of them took the first rank, both as to quality and numbers. If we progress in the future as we have in the past it is but a short time when our favorite breed will rank first in quality and numbers in all these shows and in the great live stock markets of the world.

Our association has made rapid strides to the front in the past year, the Sec'y.'s report will show that we have increased in numbers, new men coming into our ranks. Our receipts have been good. Since our last meeting three volumes have been sent out and a fourth one under way. Surely the future of the Duroc-Jersey hog is bright and it rests with us to keep up the pace to go beyond set remembering that there is a limit to this pace to go beyond which is dangerous.

I am more than pleased to see so large an attendance at this meeting. It shows that the members are taking an active interest in the affairs of the association which always means well. I hope that the various questions that arise at this meeting will be discussed thoroughly and openly, and that whatever the majority may decide is best, on any point, all will lend a helping hand to carry out.

Recommendations.

I would recommend that in the future we separate the office of Secy.-Treas., electing one of our number to each office.

We are now sending out one of the volumes to each share-holder. I would recommend that in the future we discontinue sending the books to all share-holders who have done no recording or issued no pedigrees for a period of two years and that when a volume is ready for distribution, the secretary shall notify each share-holder by postal card that on receipt of 25c to pay postage, the volume will be mailed to him.

I would recommend that the amendment of Article 7 making the board of directors 7 members of which the president shall be one, the secy. and treas. may or may not be members of the board.

Secretary's Report.

Secretary Evans followed with his annual report:

The following statement of the executive committee was then read:

The undersigned members present of the executive committee of the National Duroc-Jersey Record Association have today examined the books and reports of the Secretary and Treasurer and have found that they agree and have found the same correct as shown by such reports.

GREEN McFARLAND,
N. B. CUTLER.

Treasurer Roberts then followed with his report which agrees in every particular with the secretary's statement and shows a balance of more than $4,800, the difference in balance he accounted for by interest received from notes held by the treasurer.

President Russell then followed with a short statement about the year's business and the meetings of the board during the year and what they were for.

Nominations for president for the ensuing year were called for and C. R. Doty of Illinois and H. C. Sheldon of Iowa were nominated, the latter receiving the majority on the first ballot, was declared the nominee. At this juncture Mr. E. Z. Russell, who had been an avowed candidate for secretary, asked that his name be not used in that connection. The present secretary was nominated by Smith Brown of Nebraska and Jno. Henderson put in nomination L. H. Roberts of Iowa. The vote resulted in the selection of Mr. Evans on the first ballot.

The rules of the meeting were then suspended by motion and Mr. Roberts was re-elected treasurer by acclamation.

Nominations for director were then called for and twelve men from various states were named. On motion the first ballot was

made informal and where there were two candidates from one state the one receiving the least number of votes should be dropped on the formal ballot. The two ballots resulted in the election of Smith Brown from Nebraska, C. E. Pratt from Kansas, E. B. Weedin, of Missouri, and H. F. Hoffman of Iowa.

C. C. Keil offered a resolution which was unanimously passed censuring the Des Moines Morning Register and Leader for the article appearing the morning of Dec. 14 in which many falsehoods appeared and many statements wholly without foundation. The resolution branded the article as an insult to every member of the association.

On motion of F. S. Taylor of Iowa, the following resolution was adopted:

Resolved, that after March 14, 1906 this association accept no pedigrees for record unless the sire and dam are recorded in the National Record, Provided that this resolution be not enforced if the American Association before that date agree by resolution to accept our pedigrees the same as we have their's heretofore.

Green McFarland on behalf of the Missouri and Kansas breeders invited the association to hold its next annual meeting at Kansas City during the American Royal Show in October. The invitation was accepted and the breeders voted to meet in Kansas City

Board Meeting.

The new board organized immediately after supper in the Kirkwood hotel by selecting Smith Brown, C. E. Pratt and H. F. Hoffman for the executive committee.

On motion of Mr. Brown the secretary's salary was fixed at $1500 and clerk hire at $500, the same as previous year. His bond was fixed at $2,000.

The treasurer's salary was fixed at $100 and he was allowed $10 for expense incurred since March 1. His bond was fixed at $3,000 and the board bears half the expense of his bond and the secretary's bond.

Moved and carried that when each volume is completed that the secretary notify each member and inform him that the book will be forwarded to him on the receipt of twenty-five cents for postage.

Adjourned.
